

MOLLY MALONE

IRISH WHISKEY

A premium Irish whiskey

We hand select the finest Irish malts and craft them in small batches to create a premium whiskey that's light on the palate and deliciously sweet - just like our namesake Molly Malone.

Only the best Irish single malt and grains are married together, and we distill them according to Irish tradition.

We choose second fill bourbon casks (bourbon absorbing the coconut and vanilla tannins of the new wood) from the highest grade American oak (*Quercus Alba*) to enhance the flavour of the whiskey without overpowering the light character of the malt.

Tasting Notes:

Nose: Enticing, gentle citrus notes precede the charred notes of toasted oak.

Taste: Develops quick and light on the palate with a scintillating crispness. Follows through to a light toffee and vanilla crescendo.

Finish: Sweet gentle vanilla notes combine beautifully with delicate soft oakiness.
